15491 Palma Lane

Now Listed at: \$4,500,000

Equestrian paradise in the heart of it all! An ideal blend of rustic and transitional styles, this beautiful residence sits on 5.45 acres. The completely redone home features a split bedroom floor plan with sloped ceilings and decorative ledges that add interest to every room. The space boasts a formal dining area and eat-in kitchen, with Carrara marble countertops and stainless steel appliances. In the master bedroom, separate shower, dual sinks, and a sitting area are standout attributes. Outside, the covered French travertine patio, outdoor kitchen and heated saltwater pool look over the 8-stall center-aisle barn. The property also features a 135' x 230' riding arena with an all-weather sand and textile footing mix, arena surround sound, a grass riding area, and 7 paddocks.

A short hack away from PBIEC, this estate will delight any equestrian. Site work has been done and plans are approved to renovate the 8-stall barn to 12 stalls with two additional wash stalls and a staff apartment.
