

BARNMANAGER®

The Official Barn Management Software of U.S. Equestrian

February 2020 eNews - www.BarnManager.com

Bringing you news, advice, and tools to improve your barn management experience!

Barn managers, owners, riders, and trainers from across disciplines are using BarnManager to streamline and simplify their barn organization and management, and now you can too, starting at only \$10/month and with an extra 15 percent off for US Equestrian members.

[Click here for your free live demo](#), or start by exploring these five ways that BarnManager can benefit you and your horses.

1) Save time and find all of your horses' health and US Equestrian records in one place.

With the incorporation of the BarnManager software into the USEF Member Dashboard, you can find all of your horses' records inside the BarnManager app and software (once you agree to have the information pushed to the program)!

BarnManager has always allowed users to easily create horse profiles from their phone, laptop, or tablet, but with the US Equestrian integration, the horse's full US Equestrian record, results, and identification card can also be imported in just a few clicks.

2) Improve communication with your team.

Communicate with your team directly within BarnManager thanks to easy barn-wide messaging and one-on-one conversational tools connecting you to anyone on your barn's team. You can also share your calendar, lists, and reminders with anyone that you choose, which brings us to the next benefit...

ON THE BLOG

BarnManager's Horse Show Packing List

While your specific horse show packing list will vary depending on your discipline, the type of competition, and the classes that you're entering, there are a number of things that are universal: like grooming brushes and the possibility of forgetting something!

That's why we've put together our comprehensive horse show packing list. [Download the packing list as a printable PDF from our blog](#), or use the list tool within BarnManager to customize your own horse show packing list!

TIP OF THE MONTH

Avoid untangling a pile of polo wraps after washing by using a mesh lingerie bag, like the four compartment bag pictured.

Find the bag, and other similar options, on Amazon here. (Tip via [Heels Down Mag.](#))
