

Bringing you news, advice, and tools to improve your barn management experience

The Official Barn Management Software of US Equestrian

At [Green Is the New Blue](#), we are often asked for recommendations on sustainable equestrian fashion, such as breeches and boots. Although we always look for sustainably sourced products, we believe the best way to buy many items is used.

Purchasing used clothes is an obvious form of recycling. A pair of breeches can find a new home with someone who will give the item a new life. Depending on product type, a used purchase can make a big difference when it comes to environmental issues like climate change.

There are other benefits of choosing to buy secondhand clothing and tack, too. Generally, there is little to no product packaging associated with used clothing and tack, which minimizes waste.

BarnManager is gearing up to launch BarnManager Pro, offering the tools that a Professional barn needs to run a business and get paid.

- Speed up time to create and review your invoices with user-friendly invoice templates, clones, and batches
- Get paid safely, securely, affordably, and quickly through Stripe Connect
- Learn about your revenue and what types of products and services are generating the most income for your business
- Seamlessly integrate your invoicing and payment details into Quickbooks for more complex accounting

Existing subscribers to BarnManager's Essentials plan will have access to a free one-month trial of BarnManager Pro at the time of launch, expected late summer of 2021. Be sure to register for [BarnManager's Essentials Plan](#) before the launch to get access to BarnManager Pro to try it out for yourself.

### TIP OF THE MONTH

Did you know bleach is effective at curing thrush in horses' hooves? Simply mix a small amount of bleach with water and put into a bottle, then douse the bottom of the foot in the mixture. (Be careful not to get any on your clothes!)
