Riding Wengen, Hogan topped a large field of 153 entries over three phases of competition, including flat and gymnastics phases held on Friday and a final jumping phase held on Saturday.

Hogan finished the flat phase in 18th place, but her score of 89 in the gymnastics phase catapulted her to second place in the round and also put her in second overall on a score of 218.50 going into Saturday's third phase. A brilliant final round and a subsequent score of 93, multiplied by a coefficient of two and combined with her score from Friday, gave Hogan an overall score of 404.50, a 14.50-point lead over second place.
