## Featured Horse of the Month: Victory Valley

14-year-old warmblood-cross gelding, 15hh

Victory Valley ("Valley") is a handsome 14-year-old warmblood-cross looking for a retirement home. Valley arrived at DEFHR as an emaciated gelding but has made an incredible recovery. Although not sound as a riding horse, Valley's kind disposition and easy-going nature make him a great companion. Valley is also a favorite among volunteers and enjoys being pampered during grooming sessions.
