## World Equestrian Center – Ocala Summer IX

Aaron Vale (USA) and I. Adermie R 4, owned by Lori Osterstock, won the \$100,000 [UF Health](#) National Grand Prix besting a field of 43 competitors from 14 different countries.

"It was a great, fresh course. The time allowed was tight enough that you had to be smart. The jumps were set in places that they have never been before. It offered some challenging questions in some tricky places, but from a course designer's perspective, it was a perfect course with eight clear."

For the second week in a row Taylor Ann Adams and Donald Stewart's Starfighter captured the top prize in the \$12,500 WEC – Ocala 3'6"-3'9" Hunter Derby. The pair earned scores of 90 and 87.

"I was on top, so my goal for the handy was to take the low options and be safe, but Starfighter locked onto all of the high options, so I just stayed out of his way."

Tracy Fenney (USA) and MTM Caepfen, owned by Tracy Fenney and Michael McCormick, won the \$10,000 [Buckeye Nutrition](#) Futures Prix.

"He's such a cool little horse because he carries his own motor and is ready for whatever you need him to do. I feel like a little kid riding him because it's just point and shoot with him."
